Students share Christmas joy

Cody Fairbairn and Darrian Rybchinsky prepare Elk Point Elementary School's Operation Christmas Child shoeboxes to be packaged up by Chloe Cardinal and Dustin Pinder (not shown), who put them into large bags to be brought to Elk Point Baptist Church for shipment. Over 90 boxes were received.

Bright Friday evening forecast for Elk Point

By VICKI BROOKER
Review Staff

It might be Black Friday across the US and in other places in Canada, but in Elk Point, this coming Friday will be bright as can be, as Elk Point Chamber of Commerce presents the annual Christmas Extravaganza.

Shoppers will enjoy many specials throughout the day, and will receive draw slips with purchases at participating businesses. The slips all go in the big red barrel at Elk Point Co-op for the prize draw for a deepfreeze and food voucher at 9:30 p.m.

Events get underway from 3 to 5 p.m., with the first session of Photos with Santa and the huge craft and trade show and art exhibit, all located at the Seniors Recreation Centre.

The Winter Wonderland Parade lines up on Railway Ave. for a 6 p.m. start, and chamber president Debra McQuinn emphasizes that there's "no need to register. Just show up and promote your organization or business. Everyone's

welcome – the more the merrier."

Following the parade, Santa will be back at the Seniors from 7 to 9 p.m., Sprinkles the Clown will be at the Visitor Information Eco Centre with her clown shows and balloon animals, and will also be accepting donations of non-perishable food or gifts for Santas Anonymous. Tractor-drawn wagon rides will also depart from the Eco Centre from 7 to 9 p.m.

At 8 p.m., the parent councils of F. G. Miller High School and Elk Point Elementary School are joining forces to present "Locker Wars," a fundraiser for programs at both schools, with the contents of 10 lockers filled with donated items to be auctioned off at F. G. Miller High School. Next door at A. G. Ross Arena, St. Paul Jr. B Canadiens will take on the Vermilion Tigers in an action-packed game.

The evening winds up with the Fireworks Extravaganza in the Iron Horse Trail staging area at 10 p.m.

"No need to register for the parade. Just show up and promote your organization or business."

Another 2013 award for the "Sportshound"

By VICKI BROOKER
Review Staff

Doug Bassett's longtime dedication to minor baseball has been rewarded once again.

At Baseball Alberta's 2013 awards banquet on Nov. 2 in Edmonton, he was presented with the President's Award, which goes each year to a board member selected by the president for outstanding service to Baseball Alberta.

Bassett is Baseball Alberta's Zone 7 director, covering an area that reaches from the Northwest Territories to Provost and from Lamont to the Saskatchewan bor-

der, and has been on the board since 1999.

Earlier this year, Bassett won the Edmonton International Baseball Federation's Bill Chmiliar Award of Merit for his significant contribution to the development and betterment of amateur baseball in Alberta.

With the two awards and a provincial tournament win on their home diamond for his brand-new peewee team, Bassett says, "It's been a good year."

As a Baseball Alberta director, "I'm in there trying to get things for the teams in little towns," Bassett

says. "In rural Alberta, sometimes we have to find a team for kids to play on. There are different issues in the cities, where kids want to switch teams to play with their buddies or because they don't like their coach."

Bassett praises Baseball Alberta for their "really good tiering system. Teams get re-tiered every month, and it doesn't matter what size of town you're in." It's a system he feels would benefit minor hockey, giving teams an opportunity to compete with others at their skill levels.

Congratulations, 'Sportshound'!

Laurier Lake crime addressed at County Council

By JANICE HUSER
Review Contributor

In response to an increase in crime in the Laurier Lake area, the County of St. Paul and Elk Point RCMP will be working with area residents to combat the problem.

At last Wednesday's council meeting, CAO Sheila Kitz said she has spoken with local RCMP to discuss the issue. Kitz said Elk Point RCMP and Rural Crime Watch representatives would like to have a public meeting with people in the area this spring, to help alleviate some of the crime.

Attached to council's agenda was a letter from a resident at Laurier Lake who says his cottage has been broken into three times in the past three years. The last break-in resulted in \$15,000 worth of stolen goods and property damage.

Kitz presented council with a draft letter that will be sent to area residents on the issue.

"The RCMP have indicated that they are well aware of the situation and have increased surveillance of the area. They also informed the County that they believe they have identified sus-

pects that are responsible for some of the theft that has occurred in this area, but they are still working on bringing them before the courts," said the letter.

Tips for lake lot owners to do at the end of the regular camping season include, removing alcohol from their property, removing big screen TVs or other electronics, removing firearms, removing ATVs, along with have an alarm on the property and leaving the blinds open so potential thieves can see that there is nothing inside to take.

"It's hard to get people involved with rural crime watch until something happens," said Coun. Dwight Dach, as council discussed the issue.

Coun. Frank Sloan noted that similar issues have come up in other part of the county, and hosting public meetings has helped.

Council approved the draft letter.

THANK YOU

From the CNRL Field – Corporate Matching Donation Program Committee

Since 2006, this committee made up of local CNRL employees has been fundraising for organizations that make a positive difference in our communities. Each dollar that is donated by a CNRL employee or contractor is matched by our company. To fully benefit from this program, our committee holds many fundraisers throughout the year with the largest being an annual Steak and Shrimp Dinner, Dance and Auction. For the eighth year, a sold-out audience enjoyed good food, entertainment and company and opened their pockets for the following recipients for 2013:

Bonnyville Health Foundation
Bonnyville Victim Services
Dr. Margaret Savage Crisis Centre Society
Duclos School
Elk Point Elementary Special Ed Team
Glendon Playground & Park Society

Friends of the Vermilion Health Centre Society
Haying in the 30's Cancer Support Society
St. Paul Kid Sport
St. Paul Splash Park

THANK YOU to all employees, contractors, and service providers who attended and for your generous donations and to the following businesses who donated items or services. Because of you, our event was a success!

Busy on CAPC front

By VICKI BROOKER
Review Staff

The groups and agencies that make up Elk Point Community Advisory Policing Committee are keeping very busy with current and upcoming projects.

Orest Sereda reported that Greater Lakeland Rural Crime Watch members attended a presentation in Vermilion on crime prevention strategies and initiatives. The local group's new bylaws are ready for perusal and will be voted on at the annual meeting in February.

Al Pankiw reported that oil patch activity is at a high, with no indications that it will slow down. Pipeline construction has "pretty much crossed Hwy. 640, except for mop-ups," and has taken some of the traffic off the rural roads and Hwy 41. Both crossings of the river with the pipeline were carried out successfully. The Oilmen's Association Big Bucks contest will be on Dec. 7.

F. G. Miller High School representatives reported on current projects, which include selling Knit Wits hats and mittens to support the Humane Society and are currently selling chocolates as the first step of a fundraiser for a new screen and projector for the FGM gym.

Guy Genereux reported for Victim Services director Dawn Lavallee that the group is having a Candy Cane Check Stop at the Hwy. 41 and Hwy 646 junction on Dec. 6, with the assistance of F. G. Miller's SADD group. A Skate With Santa session is planned for just before Christmas. Victim Services currently is

working on 26 files, many of them family violence. The group has three security cleared advocates and another two going through the process.

Margaret Modin reported that the seniors are back in full swing of winter activities with their Christmas dinner planned for Dec. 1.

- The food we eat has to be broken down into simple substances the body can use. Carbohydrates are broken down into simple sugars; proteins into amino acids and fat into fatty acids. The fibre in food is difficult to digest so it gets passed through for elimination via the colon. Weight-loss secret? Eat less calories than you burn.
- One of the problems with drug treatment of malaria is the malaria parasite becomes resistant to the drugs. One group of researchers is using vitamin B-1 (thiamine) which the parasite needs for energy to grow and multiply. The group is using a molecule that looks like thiamine but isn't. The mosquito takes this false thiamine into its body but it won't work for them. It just might work.
- A good motivator to get you walking for exercise is to buy a pedometer. Set a beginning goal of 5000 steps per day and gradually work up to 10,000. There's something about having that little gismo that keeps people walking.
- Just a reminder that when you are treating your children for a cough, codeine-containing products are no longer recommended for children under the age of 12. This Health Canada directive came as a result of some children receiving codeine either via a cough syrup or breast milk. Codeine is metabolized in the body to morphine and some people are "fast metabolizers" which could cause problems.
- If you are looking for cough remedies for your child, you can try some honey first. That often soothes the throat and calms the cough. You can also check with our pharmacists for other suggestions. We are here for you.

Shop local first

Elk Point is growing rapidly, and that growth is presenting a challenge to local businesses to keep up with the goods and services its residents require and desire. It's good to see that some of those businesses have expanded in order to fill the needs, and it would not be a surprise if others follow suit.

As the holidays approach and shopping lists get longer every day, it's tempting to head off to a larger centre to shop. However, if you take a good look at your list, you may find that many of those items are available right here in town, which means you can support local businesses with your purchases.

You'll save time, you'll save gas, you'll save the frustration of icy roads and city traffic. Give it a try, and support our local business community.

Way Back When...

Victories and newcomers

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF NOV. 26 IN...

1988

John Dahmer won the first-ever federal election for Beaver River by a whopping 7,280-vote margin, while watching the election results in his room at the Royal Alexandra Hospital in Edmonton. Bruce Kleeberger was elected as Elk Point's mayor by acclamation, following the resignation of Byron Mann, voters going to the poll Dec. 14 to fill the vacant council position.

1993

Heinsburg High School's senior girls, cased by Adrian Kiss, won their third St. Paul Athletic Association volleyball championship in a row, defeating Mallaig in the final game. Fishing Lake Settlement council chairman Randy Parenteau and council member Wayne Daniels met with Elk Point town council to seek support in petitioning for road upgrading in that area.

1998

The Elk Point Review won the Elk Point Chamber of Commerce Business of the Year award, with Frosty's Kitchen winning the New Business of the Year award. Newly arrived RCMP officers, Sgt. Lyle Marianchuk, Cst. Maurice Poisson, more often known as 'Fish', Cst. Jenny McDonald and 'County Mountie' Cst. Cathy Bedard were introduced to the Greater Lakeland Rural Crime Watch at an information meeting in Elk Point.

2003

Chamber of commerce president Jonny Nielsen welcomed newcomers Tammy and Sandy Robb of Golden Loaf Bakery and Ed and Phyllis Pankiw of Roadside Pizza and Grill to the business community. A 4-H workshop outlined ways that youth could work more safely with livestock, including project animals.

2008

Elk Point Chamber of Commerce agreed to invite their neighbours - the Riverland Recreational Trail Society, Elk Point TrailRiders Snowmobile Club, MuniCorr and the Iron Horse Trail - to a meeting to discuss ways of working together to make the Elk Point staging area a major attraction. Historian and author Bob Hendriks unveiled his newly published biography, 'William Blaisdell Cameron: A life of Writing and Adventure' at the Elk Point Municipal Library.

Snow feelings

Whether you are a young child, young person, adult or senior, all of us have feelings about snow. Basically, it is white and covers everything and we have feelings about it.

I just finished reading a book called 'Baked Alaska - A Culinary Mystery' by Josi S. Kilpack. In her book with the mystery story she prints different recipes that are interesting.

Of course the Baked Alaska recipe was interesting. This kind of cake is made with ice cream and today if you want an ice cream cake you just stop at a specific store and you buy one. Thinking of ice cream on a cold snowy day is definitely different you might say as a snowy cold day is probably the time you might crave something warm like hot apple cider or something different.

Speaking of craving something different, let me give you the recipe for Baked Alaska Cupcakes, a recipe which appeared in the Baked Alaska book by Josi S. Kilpack. (And you thought ice cream was only enjoyed in summer!)

- 2 1/2 cups all-purpose flour
- 3 teaspoons baking powder
- 1/2 teaspoon salt
- 3/4 cup shortening
- 1 1/2 cups sugar
- 3 eggs
- 2 teaspoons vanilla
- 1 1/4 cups milk
- 2 quarts ice cream, softened

Preheat oven to 350 degrees. Place paper baking cups into 2 muffin pans (48 cups). Spray paper cups with nonstick cooking spray. (Be sure to use liners on this recipe!)

The Elk Point Review publishes a variety of opinions as a contribution to debate on matters of public concern. Unsigned editorials express the view of this newspaper's editorial board which includes the Publisher and the Editor. Signed pieces express the view of the individual writer.

To make cupcakes, mix flour, baking powder, and salt, in medium bowl; set aside. In large bowl, beat shortening with electric mixer on medium speed 30 seconds until smooth. Gradually add sugar, scraping bowl occasionally until well combined. Add eggs, one at a time, beating well after each addition. Add vanilla. On low speed, alternately add flour mixture, about 1/3 cup at a time, and milk, about 1/2 cup at a time, beating just until blended.

Divide batter evenly among muffin cups, filling only 1/4 full. Bake 10 to 14 minutes or until toothpick inserted in center comes out clean. Cool 5 minutes in pan, then 15 minutes on cooling rack.

Spread 2 heaping tablespoons of softened ice cream on each cupcake-it should reach the top of the cupcake liner. Cover. Freeze at least 2 hours or overnight, until ice cream is hardened.

When ice cream is solid, preheat oven to 450 degrees.

Spread meringue over ice-cream-topped cupcakes, covering surface of ice cream completely. Place finished cupcakes on cookie sheet. Bake 2 to 3 minutes or until meringue is lightly browned. Serve immediately. Makes 48 cupcakes.

*Meringue: 4 egg whites, 1/2 teaspoon vanilla extract, and 1/2 cup sugar. Whip egg whites until frothy. Add sugar and vanilla. Continue beating, adding sugar slowly, until whites are stiff and glossy.

Actually winter is here with snow, cold and wind and as we all have feelings about it, no wiser words can be said then to say, because we live here we will stronger be.

I like the third verse from the poem by Douglas Malloch called "Good Timber".

Good timber does not grow with ease,
The stronger wind, the stronger trees,
The further sky, the greater length,
The more the storm, the more the strength,
By sun and cold, by rain and snow,
In trees and men good timbers grow.

COUNTY OF ST. PAUL No.19

HIGHLIGHTS

November 19, 2013 Council Meeting

Year Round Fire Permits – Reminder that fire permits are now required for year round burning.

Organizational Meeting – Council members and members-at-large were appointed to several committees to represent the County, some for a one year term and others for four year terms. The list of committee members can be viewed on the website. Council would like to thank the county residents who have agreed to serve on the committees for another term. Council agreed to leave remuneration rates the same as they were in 2013.

Weed Appeal Board – We are looking for two County residents to sit as members of the Weed Appeal Board. Along with Council members, these members will hear appeals to weed notices. This committee falls under the guidelines of the Alberta Weed Control Act.

Planning and Development – Council gave first reading to Bylaw No. 2013-45 to rezone PSW 25-57-7-W4 from Agricultural to Industrial/Commercial as the landowner wishes to build a shop on his property. Council also gave final approval to Bylaw No. 2013-09 which is a bylaw to close a portion of the public lane lying within Block 3, Plan 1005 E0. The landowner will now consolidate the lane with his adjacent lots. A Public Hearing was held to discuss Bylaw No. 2013-39, to cancel a portion of the road allowance located between SE 21 and SE 22-58-11-W4 which is naturally fragmented by Range Road 113. The adjacent landowners and utility companies will be notified and then the bylaw will be sent to the Minister of Transportation for approval. After the Bylaw receives approval from the Minister, it will be brought back to Council for second and third reading. Road Plan 4085NY in NE 11-57-8-W4 was also approved for cancellation as a new road was built many years ago and the old road was not cancelled. The road will then be consolidated with the subdivision, as agreed by the landowners.

Regional Collaboration Grant – Eastern Alberta Trade Corridor – County Council agreed to partner with the Town of Hanna on a Regional Collaboration Grant application on behalf of the Eastern Alberta Trade Corridor (EATC). This group (EATC) is made up of three REDA's (Regional Economic Development Associations). The County is part of Alberta HUB REDA. The scope of the project applied for involves a Regional Marketing Plan, Multi-Level Map / Data Maintenance Plan for Website, Regional Data Collection, and Mapping Integration and Project Management. The grant application is for \$249,000 with no funds contemplated from either municipality.

Increased Crime at Laurier Lake – Administration will be working with the RCMP and lot owners at Laurier Lake to address the increased in crime in their neighborhood. RCMP have increased surveillance in the area and residents will be receiving a letter with a few tips on how to safeguard their property at the end of each season. Administration will set up a meeting with the local residents, RCMP and Rural Crime Watch for the spring of 2014.

Owlseye Road Appeal Hearing – The Environmental Appeals Board has scheduled a hearing for January 23, 2014 to hear submissions respecting the decision of Alberta Environment and Sustainable Resources Development to issue to the County, a Water Act Approval to fill a water of body located on the W ½ 4-59-10-W4 to construct a new section of road along range road 104 near Owlseye.

Funding:

- \$500 for Mallaig School and Regional High School to attend Provincial Cross Country Championship
- \$5,000 for St. Paul Chamber of Commerce; \$5,000 Elk Point Chamber of Commerce; \$1,500 Mallaig Chamber of Commerce
- \$100 for Town & Country Ladies Funspiel
- \$1,000 Elk Point Handi Bus Operations
- \$109,900 MSI Operational Funding distributed to Ag Societies and Community Halls throughout the Municipality

When residents clear their driveway and push the snow across the road, they are requested not to leave ridges on the road as this causes safety issues.

Residents who require snow removal on their driveways can purchase flags from the County at the Administration Office, Public Works Shop, or the Town of Elk Point Administration Office.

Christmas Hours – The County Office will be closed December 25 to 27, 2013 and January 1, 2014.

**For more information contact Sheila Kitz, CAO,
County of St. Paul at 780-645-3301, ext. 208.**

Hockey highlights

Not on top of the league but still very competitive, the Pee wee Avalanche have been playing great and having an excellent season so far. But on Saturday they took one on the chin, losing to the Bonnyville Pontiacs 11 to 3. They had lots of chances on this day but couldn't seem to bury them. Chase Dorey, Connor "Coast to Coast" Lychak and Dylan "the

Destroyer" Ference the goal scorers, Kaiden "K Rock" Evans-Anderson, Hayden "Hot Wheels" Ludlage and "Sam I am" Henderson all assisting. Some heavy hauling for Colton "B Train" Van Maaron who was busy pulling a big load, he made some outstanding stellar saves or the score would have been a whole lot worse. The Novice No. 2 team also played at home on Saturday, winning 9 to 6.

Another team that has been playing well lately, the Atom Avalanche had two big wins this past weekend, winning an exciting one over Boyle on Saturday night at home 9 to 6 "Lightning Liam" Ludlage lighting it up with four goals and two assists, Charlie "the Angel" Rogal banging home a hat trick, Jaden "Jet Stream" Van Maaron adding two, Jace "the Stafford Streak" with three assists. Jenna "Precious" Poitras, "Danny Boy" Cardinal and Jadey "the Lady" Capjack all helping the cause with assists. Goalie Ronan "Radar" Poulin had his hands full but was up for the task.

With not too much sleep, the team was on the road early on Grey Cup Sunday morning and traveled to Frog lake scoring mega goals in this one, so many in fact they used the back of the game sheet, so I apologize if I miss a few. "Jet Stream" and "the Streak" with four each, Evan "Bat Boy" Ockerman with a hat trick, "Lightning Liam",

"Charlie Angel" and Kobe "the Cobra" Warawa with two each and the monster blue liner Odin "the Wall" Smith adding a single. Always playing her position and battling for the puck in the corners left winger "Precious Poitras" with two helpers. The unsung hero Avery "Whirlwind" Warawa, a former forward who was moved back to play

defense this year has been as steady as a rock. "Whirlwind" won't get any glory back there but she's doing one heck of a job, she's on the sheet with a couple of helpers too. And another guy

whose skating has improved 100 per cent over last year, Matthew Quinney also has an assist.

Here at home on Grey Cup Sunday the Novice No. 1 hosting Cold Lake, winning this one by an unconverted touchdown, 8 to 2 the final score. "King Kong Konner" Poitras and Luke "Skywalker" Poulin with two goals and three assists, Rylee "the Road Runner" with two goals and Nathaniel Cousins with one. The "Mighty Casey" Warawa also with a helper. The towering Vanden "Mario" Moroziuk was between the pipes and played a super "Mario" game.

And over in Glendon on Sunday morning the Bantam Avalanche won 10 to 8. Team captain Nicholas Tucker with four goals, Austin "Ozzie" Stafford, Cameron "the Bear" Baird, Ethan Tremblay, Austin Auxley all scoring, plus two other goals but we're not sure by who. So sorry Charlie, the game sheet went missing.

The Micro Novice played in St Paul last weekend against the St. Paul Timbits Red team. Brendon Haesch-Baker, "Cyclone Cole" Pierce and Kale Hoeving all scoring their first goals.

Marvin Bjornstad of the Elk Point Historical Society and author Steve Andrishak are enthusiastic about the inclusion of more local history in the second edition of 'Our Past.'

Second edition tells more about 'Our Past'

By VICKI BROOKER
Review Staff

Elk Point Historical Society has unveiled a revised and enlarged version of historian Steve Andrishak's tales of 'Our Past.'

The original 'Our Past' was a compilation of Andrishak's historical feature columns that ran in the *Elk Point Review* some years ago, and with every copy sold, there were still numerous requests for the book. Both Bjornstad and Andrishak felt it was time to take another step with the reprint.

"To the original book, we added 10 or 12 more stories, as well as the 50-page history of the Andrishak family that was done for the family in 2004," Marvin Bjornstad said. "We changed a few

pictures and added more." Andrishak said the book "is more complete now. I told Marvin we should continue with it, and as it stands now, it covers over 200 years of history."

At age 92, Andrishak says he has lived in Elk

Point for 88 years and has "outlived all my hockey team, my baseball team and the people I went to school with." However, thanks to his love for recording the past of the community and its people, their stories will live on in "Our Past."

*My youngest son, You left too soon
Your chair sits empty in the room,
Your voice and laughter fill my mind
Kind, happy memories you left behind.
My heart was broken the day you die.
And many a tear I've kept inside.
Hope you have found some peace
from the past,
May God's love help you at long last.*

The coffee gang meets Monday through Wednesday mornings and floor curling goes Thursday afternoons, with military whist the first Wednesday of the month.

Deanna Easthope reported that the EcoCentre was visited by a woodpecker, which caused some concern. She thanked everyone for the support given the Remembrance Day service, and said she has had some Santas Anonymous calls already.

Sgt. Dave Casey said the RCMP visited schools in Elk Point, Frog Lake and Fishing Lake for Remembrance Day activities. Pengrowth is doing a risk assessment on their plant expansion program. Projections for 2017 show truck traffic generated by the facility increase from the current 50 to approximately 200. They are looking at how this affects policing. They are also considering a pipeline as an alternative to hauling the oil they produce by road.

Allied Arts find fun in 'funeral'

By VICKI BROOKER
Review Staff

Some people don't take well to turning 50, and Harold Dollefson (Don Conrad) is definitely one of those. In fact, he's so worn out he needs a new body, and is certainly in no shape for a birthday party. Nobody would come... they wouldn't even come to his funeral.

That's how all the fun gets started in 'Let Him Sleep Until it's Time For His

Funeral,' the two-act comedy presented by Elk Point Allied Arts at their annual pre-Christmas dinner theatre.

The show also stars Barb Maile as his wife Edna, Caitlin Tazzer as his daughter Elizabeth, Velma Hudson and Alan Kostyniuk as their neighbours and Philippe Bouchard as a contest official.

We don't want to spoil the story, so check back for more photos and details after this Saturday's final curtain!

WHAT'S WITH THEM? Russ (Alan Kostyniuk) and Harold (Don Conrad) may be in or near their 50s, but they still haven't figured out what makes their women (Velma Hudson, Barb Maile and Caitlin Tazzer) burst into tears.
